

Classroom Discipline Policy

I believe that even at the ages of 5 & 6, children need to learn the importance of accepting responsibility for their actions. All children are expected to follow classroom expectations and procedures, and I will help them learn to do so in a positive and fair manner!

PURPLE – Outstanding

GREEN – GREAT

ORANGE – WAY TO GO

YELLOW - THINK ABOUT IT

RED – PARENT CONTACT

Our Classroom Expectations

1. **A- Act Responsibly**
2. **B- Be Respectful**
3. **C- Choose Wisely**

The students will be using a clip chart to self-monitor their behavior. They have the opportunity to move up on the clip chart for displaying exemplary behavior throughout the day. They will also have the opportunity to think about their choices if they are not choosing wisely. As parents, you will be able to help encourage your children to follow the classroom expectations by checking the behavior calendar on the front of their purple folder daily. When children reach the highest level of the chart, they will be rewarded with a star for their clip. After reaching the top level a certain number of times, their current clip will be retired to the Clip Hall of Fame.
